## WEBSITE

[www.fergusskatingclub.com](http://www.fergusskatingclub.com)

The coaches listed in this brochure provide private freelance instruction in the Junior & Senior programs, and as such, skaters and/or parents/guardians, should determine who they would like to work with, and contact the coaches directly with any questions you may have.

The Board of Directors will not recommend one coach over another, so arrangements for private coaching are to be made directly between the skater and the coach.

The information in this brochure is provided by the coaches.
